To: Shankar Wire Products Industries <swpi@weights-swpi.com>, Martin Häfner <m.haefner@haefner.de>

Dear Mr. Singhania,

today we arrange 40% payment cash in advance.

I hope, you can reduce the delivery time. 3 month production time additional 8 weeks shipping time is not acceptable.

Once again my question: why don't you have any of our standard weights in stock? We work around 15 years together. Do you have any doubt in our business?

I make you a proposal:

I will transfer you 5000,-- EUR. You can use this amount for security, that I order cast iron weights in future.

With this security in the background, you produce weights in stock. Aim of this: you are able to reduce delivery time to 4 weeks.

Mit freundlichem Gruß

My best regards

Katrin Haefner
