Dear Mr Singhania,
I've just returned from Holidays, my staff told me the consignment of weights were delivered on 18th this month. However, the quantities of brass weights are not correct.

Our order called for 500 20grm weights, you have supplied 1000, the 50grm weights called for 1000 & you have supplied 500.

We can report the quality of the weights, are, as always excellent.

Regards
